LIST OF

New Roses and Roses of Special Merit.

AT RRICES QUOTED.

NEW TEA ROSE,

MAMAN COCHET

ONE of the best new Roses for 1895. The growth is vigorous, with rich, healthy foliage. The extra large flowers are produced on long stems, are very double, and the buds and half-expanded flowers are simply exquisite in their graceful form, delicate color, and rich fragrance. The color is deep rose-pink, the inner side of petals silvery-gray. This variety was illustrated and described in the "Journal des Roses" two years ago, and one thousand dollars was refused for the stock by the originator, Mons. Cochet. **Price, 8 cents each; 75 cents per dozen; $5.00 per hundred.**

New Forcing Rose,

KAISERIN AUGUSTA VICTORIA.

This beautiful Rose has not only a royal name, but is a royal rose as well. We have white Roses that have elegant buds, but when full blown are not all that is desired. Then again, we have white Roses that are elegant when full blown, but have poor buds. This Rose combines both these good qualities. It is a continuous bloomer, producing successive crops of buds, and formed with large petals of best substance; shows no center when fully open. Color, a pure snowy-white. **Price, 8 cents each; 75 cents per dozen; $5.00 per hundred.**

New Forcing Tea Rose,

MD. PERNET DUCHERE.

A charming new Tea Rose, canary-yellow, suffused with copper, long, pointed buds on every shoot. Is a wonderful bud producer. Inclined to come somewhat single during the hot weather. It is a favorite forcing Rose in Europe, and no doubt will become very popular when better known. **Price, 6 cents each; 60 cents per dozen; $4.00 per hundred.**

New Forcing Tea Rose,

CHRISTINE DE NOUE.

(The Double Papa Gontier.)

This beautiful new red Tea is a very charming Rose, and promises to be one of the best of recent introduction. It is particularly valuable because red has been a very scarce color among Tea Roses, and this one seems exceptionally fine. It is a splendid grower, making a large-sized, graceful bush, with bright, deep green foliage. A constant and very free bloomer. The flowers are well borne up on stems, and are usually large and handsome. It is a very double Papa Gontier, and will be splendid for forcing. **Price, 6 cents each; 60 cents per dozen; $4.00 per hundred.**

New Forcing Rose,

BRIDESMAID.

A new Rose. A sport from that old standard, Catherine Mermet. This variety retains all the good qualities of the parent, besides adding charms not possessed by the sweet Catherine. All know that Catherine Mermet takes precedence as a pink Rose. More plants of it are cultivated by the amateur, and more cut bloom is sold by the flower dealer of it than any pink Rose. Why? Because the bud is of exquisite shape and contour, so solid and firm, and the stems are so long and stiff that no other Rose will compare with it in keeping qualities after being cut. It has, though, with all these g od qualities, a serious defect, namely, "off color." This is more noticeable in dark, cloudy weather, but it is true of the Rose at all times. Now, this is why the Bridesmaid will supersede the Mermet. It is about two shades deeper in color—just enough to make it bright; and it is the same color all the time under every condition of weather and surroundings. **Strong 2½ inch pots, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Rose,

HENRY M. STANLEY.

This grand new ever-blooming Rose was raised from Madame Lambert and Countess Riza du Parc, and named in honor of the great African explorer, and is recommended as a charming variety of unusual beauty and permanent value. The color is a rare shade of amber rose, delicately tinged with apricot-yellow towards the center. Reverse of petals clear buff rose. The flowers are of good substance, extra large, finely formed, and very full and fragrant. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Tea Rose

CAPTAIN LEFORT.

Color of flower rosy-purple, reverse of petals China Rose. This variety is a cross between Socrates and Catherine Mermet. Long buds on stiff stems. A variety of great merit. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Golden-Yellow Tea Rose,

MEDIA.

There is no denying the fact that yellow and white Roses are admired by every one, but the yellow has the more admirers of the two. The size and shape is all that could be desired; full, round flowers of the largest size, perfectly double to the center, and the fragrance is elegant. The growth is vigorous, while the foliage is of green that goes so well with yellow. **Price, 6 cents each; 60 cents per dozen; $5.00 per hundred.**

Maman Cochet.

The Great Forcing Rose,

CATHERINE MERMET.

A beautiful, clear rich color, with the same silvery lustre seen in La France. Large, well formed. Very beautiful in the bud. One of the most popular Roses for cut-flowers. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Tea Rose,

COMTESSE DE FRIGNEUSE.

In color charming, in freedom of bloom second to none. The buds are long and pointed' not unlike Niphetos in form, and good size. The color is a deep golden-yellow, with softer shade inside of petal. As a yellow Rose this takes rank next to Marechal Neil. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Tea Rose,

MISS WENN.

This charming variety is noticed at once for its exquisite color, which seems entirely distinct from almost all other Roses of our acquaintance. We call it a clear coral pink, a most novel and distinct shade of color very difficult to describe. The French call it China Pink. It is certainly a very beautiful color, and full and exquisitely Tea scented. **Price, 60 cents per dozen; $4.00 per hundred.**

New Tea Rose,

J. B. VARRONE.

A fine grower, flowers very large and double, with high center opening from long buds. Color, a soft China Rose, changing to bright, deep carmine of even shading. An extra good Rose, and very sweet. Much superior to Luciole, which it greatly favors, but of a better growth and much freer in blooming qualities. A grand new Rose. **Price, 8 cents each; 75 cents per dozen; $5.00 per hundred.**

New Hybrid Tea Rose,

VISCOUNTESS FOLKESTONE.

No Rose in our Catalogue has grown in popularity during the past year like Folkestone. It is unsurpassed among light colored varieties. It is graceful to the last degree, with strong, healthy foliage. The flower is delicately tinted flesh, almost white, and lustrious as satin. When full blown it is like a white Pæony, but without a suggestion of stiffness. We have measured flowers of this variety six to eight inches in diameter. It is sweet-scented. Don't fail to include the Folkestone in your order. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

The Meteor.

The New Crimson Forcing Rose, METEOR.

A velvety-red ever-bloomer, of the deepest glowing crimson. As fine as a Hybrid; flower of medium size, very double, and petals slightly recurving. A beautiful open Rose, a free bloomer and promising well as a pot Rose. It has no tinge of violet or purple to mar its beauty. It promises to be a reliable dark ever-bloomer, free from bad qualities. The best rich red Rose that was ever introduced for florists' use. The usual demand for forcing this Rose has caused us to grow them in large quantity, and we offer them in two sizes. Nice, strong two-and-a-half inch pots, **6 cents each; 50 cents per dozen; $4.00 per hundred.**

Hybrid Tea Rose, LA FRANCE.

It is of a superb form, and double as a Rose can be. No variety can surpass it in delicate coloring—silvery rose shaded with pink. It has satin sheen over all its petals. It is most universally regarded as the most useful of Roses, for it is hardy beyond question. It blooms continuously. The flowers are large, finely built, endures for a great length of time, is exquisitely colored, and fragrant in the highest degree. Another Rose of which one cannot have too many. **Price, two-and-a-half inch pots, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Rose, STRIPED LA FRANCE.

(Madame Angelique Veysset.) Everybody knows the beautiful La France—a Rose that has always had such a ready sale that the demand has never been fully met. Striped La France combines all the good qualities of La France in growth, fragrance, shape of bud and flower, it is nicely striped, the marking being plain and distinct, and the variegation a beautiful, bright rose on a satin-pink ground. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Forcing Rose, WHITE LA FRANCE.

(Augustine Guinnoiseau.) A Rose we recommend to all, whether for out-door culture or for pots in the house in winter. If you were to ask us to select six of the finest Roses for you, we should be sure to include it in the six. Do you know La France? If so, you know this elegant new Rose. It is identical with La France, except the color. It is pearly white, sometimes tinted with fawn. Thousands of persons who have visited our grounds last summer have been startled with the beauty of this Rose, one and all exclaiming, "What beautiful Rose is that?" We predict for it far more popularity than La France ever attained. Don't fail to get this new Rose. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, GEN. ROBERT E. LEE.

(Introducer's description.) This is the first Rose that we have introduced, and we are sure that it will please all who try it. It is in color an orange-yellow after the color of Ma Capucine, only richer and better. It is a good grower, has elegant, long buds, borne on long stems, and will produce more buds than any Rose we know of. It forces easily, being at its best in mid-winter. There is no variety that will compare with it in all the qualities that go to make up the ideal Rose. The color is so peculiar and rich that it attracts attention wherever seen. Try it. **Price, 15 cents each; $1.50 per dozen.**

New Hybrid Tea, TRIUMPH DE PERNET PERE.

The flowers are extra large, having broad, thick petals and long, tapering buds, with delicious Tea fragrance. Color a fine, clear magenta red, sometimes passing to a bright crimson. Very striking and beautiful, and of such good substance that the flowers retain their beauty for a long time. **Price, 8 cents each; 60 cents per dozen; $4.00 per hundred.**

New Rose, THE RAINBOW.

This new Rose from California, which, no doubt, will be extensively planted, was awarded a silver cup by the State Floral Society. The color is a lovely shade of deep floral pink, striped and mottled in the most unique manner with intense crimson, and elegantly colored with rich, golden-amber at center of base of petals. It makes beautiful buds, and the flowers are extra large, very sweet and of great depth and substance. **Price, 50 cents per dozen; $4.00 per hundred.**

DEVONIENSIS—Magnolia Rose.

A beautiful creamy-white, with rosy center, large, very full, and a delightfully sweet Magnolia fragrance. **Price, 50 cents per dozen; $4.00 per hundred.**

RED MALMAISON.

(Souvenir de la Malmaison a Fleurs Rouges.) This beautiful Rose is identical with Souvenir de la Malmaison except in color, which is a clear, deep, rich scarlet. A grand and handsome Rose in every respect. **Price, 75 cents per dozen; $5.00 per hundred.**

ETOILE DE LYON.

This is considered one of the finest yellow bedding Roses for outside planting, it is, moreover, one of the hardiest in the Tea section. It blooms freely, and every flower is a gem. It equals Marechal Neil in size, on strong bushes. A deep chrome yellow. A remarkable Rose, deserving extensive culture. **Price, 50 cents per dozen; $4.00 per hundred.**

Triumph de Prenet Pere.

New American Rose

Senator McNaughton

(White Perle des Jardines.)

THIS fine white Rose originated with Mr. Jos. Bevis, of Philadelphia, as a sport from Perle, and is a grand variety. In foliage and growth, it is identical with Perle; the flowers are of the same form and size, while the color is an ivory white of great purity. This variety will prove invaluable to rose-growers, for it is of the same easy management as Perle, requiring the same temperature and treatment; and if there is a difference in freedom of bloom, it is in favor of Senator McNaughton. **Price, 10 cents each; $1.00 per dozen; $7.00 per hundred.**

New Ever-Blooming Tea Rose, MRS. DeGRAW.

Everybody wants a hardy, ever-blooming Rose, and we now offer the grandest of this class. From early summer until frost it can be depended upon to produce flowers of large size and exquisite fragrance in lavish abundance. In color it is a rich, glossy-pink. It is such a strong grower that it is almost impregnable against attacks of insects. For garden or cemetery plots it has no equal. It is a royal Rose. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

Tea Rose, PERLE DES JARDINS.

Without doubt the finest Rose in cultivation. Canary or golden-yellow flowers and beautifully formed. Handsome in every stage of development, from the smallest bud to the open flower. **Price, 6 cents each; 60 cents per dozen; $4. per hundred.**

GUSTAVE NADAUD.

(Supert & Notting.)—A free-branching grower, with large, double flowers. The outside petals are large and rounded, giving it an exquisite cup-shape. Color, vermillion, with clear touches of carmine-lake, and soft, pink center. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

COUNTESS ANNA THUN.

Flowers freely produced on short, stiff stems; showing the characteristics of a good bedder. It is of immense size, and of the most perfect form imaginable. Color, a beautiful citron-yellow, with coppery and peach center, shading to a salmon and silvery-pink, the colors blending nicely. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

Tea Rose, LETTIE COLES.

One of the loveliest Roses grown, without exception. It is very double, and cuped, forming a magnificent, full, open Rose of soft, creamy-white, with a very bright, rosy-carmine center. A splendid grower and universal favorite. **Price, 50 cents per dozen; $4.00 per hundred.**

Tea Rose, SNOWFLAKE.

It is a lovely new white Tea; the freest flowering Rose we have ever seen. The Rose was introduced by C. Straus & Co., of Washington, D. C., and by them grown in large quantities for cut flowers, they claim it the most profitable white Rose they grow; that they had counted 153 buds and flowers on one plant in a single day, and the plants less than a year old. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, THE QUEEN.

A most charming Tea Rose. The offspring of that fine old Rose, Souvenir d'un Amie, whose many good qualities it seems to possess in a remarkable degree. It is pure snow-white, makes good, finely formed buds, is quite full, showing the center but slightly when fully open. The petals are thick and of good substance, opens well, is very sweet, and has proved valuable, both for forcing and open ground planting. We recommend it for extended trial, as it will be found a valuable acquisition to our list of pure white, ever-blooming Roses. **Price, two-and-a-half inch pot, 50 cents per dozen; $4.00 per hundred.**

Tea Rose, SUNSET.

It is a "sport" from that grand variety Perle des Jardins, which it strongly resembles perfumed. The color is a remarkable shade of rich golden amber, elegantly tinged and shaded with dark ruddy copper, intensely beautiful, and resembling in color a splendid "after glow." Sunset is a constant and profuse bloomer, and, taken altogether, is one of the finest Roses recently introduced. **Price, 8 cents each; 60 cents per dozen; $5.00 per hundred.**

Tea Rose, COUNTESS EVA STARHEMBERG.

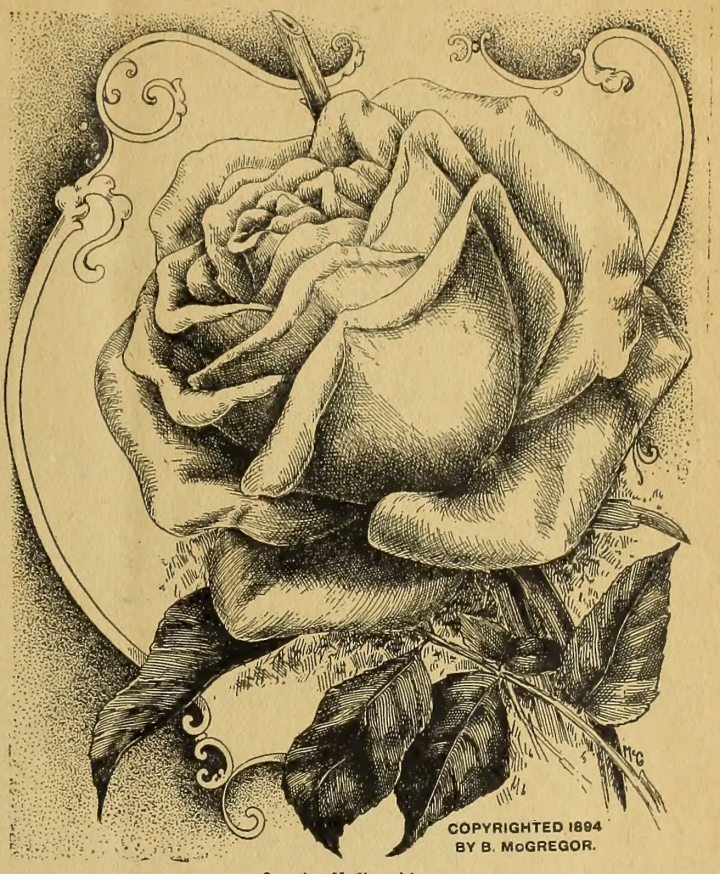
This bud is long in form, opening into a fine double flower of great beauty and heavy texture; color, creamy-white, shading to ochre at the center; borders of the petals touched with rose. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

Forcing Rose, PAPA GONTIER.

A lovely Tea Rose, has proved all that has been claimed. The blooms are large and long, with thick, broad petals of dark carmine-crimson. The inner petals are a bright, rosy-carmine, and light up well at night. It is delightfully fragrant, and combines all the qualities of Bon Silene which have made that Rose famous. The most popular forcing Rose of its color. **Price 6 cents each; 50 cents per dozen; $4.00 per hundred.**

Tea Rose, MADAMOISELLE FRANCISKA KRUGER.

The striking color of this handsome Rose places it at once in the front as a bud producer in the open air. It is closely allied to Catherine Mermet, and resembles it in everything save color. In its shadings of deep coppery-yellow it stands unique and distinct from all others. The flower when open is of good size and very symmetrical. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**



Senator McNaughton.

MONSIEUR FURTADO.

Deep sulphur-yellow, described by Mr. Ellwanger as the best yellow pot Rose. It should be grown more largely, as it is excellent. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

MADAME WELCHE.

An extra fine variety, very large, double, and of beautiful rounded form, a soft, pale yellow, sometimes cream, with short, inner petals of glowing orange and copper. Not to be forgotten if once seen. **Price, two-and-a-half inch pot, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Ever-Blooming Rose,

CROWN PRINCESS VICTORIA, or WHITE MALMAISON.

It is a vigorous grower, with large, fine foliage, and is one of the loveliest of all Roses. The color is a pure, waxy snow-white, sometimes has a lemon tint, and to those who desire a fine double flower when fully expanded, this will meet your wants, as it is very beautiful when full blown. Certainly a good acquisition. Resembles that grand old Rose "Malmaison" in shape and fullness. The best white Rose we have to offer you. **Price, 60 cents per dozen; $4.00 per hundred.**

The New Hybrid Tea,

MADAME CAROLINE TESTOUT.

This is one of the introductions of '91. A really grand Rose, of the La France type, but larger and of better color. It is clear pink in color—there is nothing in the Rose line that can approach it in color, and the flower is as large as Baroness Rothschild, and as free as La France. **Price, 75 cents per dozen; $5.00 per hundred.**

MADAME ISAAC PERIERE.

(Bourbon.)—One of the best Roses we have. Very hardy, and a constant bloomer. It has large, beautiful foliage, and is a vigorous grower. The flowers are a beautiful carmine, and bloom throughout the season. **Price, 50 cents per dozen; $4.00 per hundred.**

Tea Rose, PROF. CANIVIAT.

Vigorous in growth and free in bloom. Flower double and of good form, of the color of Souvenir Therese Levet. **Price, 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, SOUV. DE CLAIRVAUX.

The flowers are extra large, having a deep, full form, well built up; the buds, too, are large, long and pointed, altogether giving an idea of luxuriant beauty that but few roses possess. The color is bright pinkish rose, very rich and handsome, and shading darker or lighter, according to season and temperature; when fully open the base of center is seen to be finely shaded apricot yellow. **Price, 50 cents per dozen; $4.00 per hundred.**

JOSEPH METRAL.

This is a strong, vigorous Rose, with fine, rich foliage. Flowers unusually large and of good form. Color magenta, passing to cerise red, shaded with purple. Received two medals of merit. **Price, 50 cents per dozen; $4.00 per hundred.**

MARECHAL NEIL.

A beautiful deep sulphur-yellow, very full, large and exceedingly fragrant. It is the finest yellow Rose in existence. **Price, two-and-a-half-inch pots, 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, SOUVENIR DE LADY ASHBURTON.

Flower grand size and quite double, very changeable in color, showing a great variety of shades—red, salmon, yellow, scarlet, sometimes combined, and again as selfs. **Price, 6 cents each; 50 cents per dozen; $4.00 per 100.**

New Tea Rose, MAURICE ROUVIER.

Flower of enormous size and quite double; splendid form. Color a soft, tender rose, shaded and varied with red. **Price, 50 cents per dozen; $4.00 per hundred.**

Yellow Tea Rose, COQUETTE DE LYON.

No Rose like it for freedom of bloom. The plant is a fine grower and carries numbers of flowers on every shoot. A fine yellow Rose, large, not all formal, but very attractive. Called the Yellow Hermosa from its free-flowering character. **Price, 6 cents each, 50 cents per doz.; $4.00 per hundred.**

JEANNE GUILLIAUMEZ.

(Bonnaire.) A very vigorous grower. Flower large and double, of good form, with beautiful long buds. Color a clear red, touched with salmon, center coppery-red, with pale silver shadings. Received first-class certificate from the Lyons Horticultural Society. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

PIERRE GUILLOT.

New Tea Rose, PRINCESS HOHENZOLLERN.

A very strong, vigorous grower, with beautiful foliage, dark and large; flowers very large, more than semi-double, of perfect form, often produced in clusters. Color a bright, deep, satiny-red, with lighter center. **Price, two-and-a-half-inch pots, 6 cents each; 50 cents per doz.; $4.00 per hundred.**

SOUV. DE LA MALMAISON.

This grand old variety, when used as a bedding Rose in summer, has no equal, as it produces the most perfect flowers in the hottest weather. Its rich, flesh-colored flowers are of immense size, are produced in abundance, and have the requisite form and substance to withstand our hot, dry summers. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

White Tea Rose, MARIE GUILLOT.

Perfection in form; flowers large and double to the center. This variety holds first place among white Tea Roses in purity of color, depth of petals and queenliness in shape, grows well and is healthy. The best white Rose for general purposes grown. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Bourbon Rose, MADAME ISAAC PERIERE.

One of the best Roses we have. Very hardy, and a constant bloomer. It has large, beautiful foliage, and is a vigorous grower. The flowers are a beautiful, vivid carmine, and bloom throughout the season. **Price, 6 cents each; 60 cents per dozen; $4.00 per hundred.**

New Tea Rose, VISCOMTESSE DE WAUTIER.

Rosy-yellow upon the exterior of the petals, rosy white in interior. The center is a dark rose, and this color is often lined into the lighter shades above, producing a charming effect. A grand Rose. **Price, 60 cents per dozen; $4.00 per hundred.**

New Tea Rose, FRANCISKA PRIES.

One of the most robust growing varieties among the Teas, not climbing, but making long and sturdy shoots. Flowers medium-sized. Color cream-white, shaded with amber. Exceedingly free-blooming. **Price, 6 cents each; 60 cents per dozen; $4.00 per hundred.**

Hybrid Tea, MADAME SCHWALLER.

This Rose has the strong firm growth of the Hybrid Perpetuals, the same form and finish of flower, especially full grown. It is very free in bloom, and has the fragrance of La France. The color is a bright, rosy-flesh, paler at the base of the petals and deepening on the edges. Apt to come in clusters, which are excellent for cutting. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, MADAME PHILEMON COCHET.

The Superb, New, Ever-Blooming Rose,

CLOTHILDE SOUPERT.

The Best Market Pot Rose.

This Rose originated with Messrs. Soupert & Notting, of Luxembourg, Belgium. It is a strong, vigorous grower. The flowers are large, double, beautiful in form, with the style of the beautiful Rose, "Ball of Snow." The flowers are borne in sprays, and the color blends from a soft shell pink to a pure satiny-white. Roses with both of these colors are produced on the same plant at the same time. This Rose is destined to take high rank as a pot Rose for bedding purposes, and with the increased taste for Roses in clustered sprays, will be profitable as a cut flower. No other Rose approaches it in flowering qualities, not even the grand old Hermosa. **Price, 6 cents each; 50 cents per dozen; $4.00 per hundred.**

New Hybrid Tea Rose, PIERRE GUILLOT.

One of the finest and most valuable in the whole list. Bright, dazzling crimson, passing to brilliant carmine. Flowers large, very bouble and full, and highly scented. A healthy and vigorous grower, and a constant bloomer from June until frost. The outer petals are broad, round and decidedly recurved, showing the short, closely-set inner petals. Among the few good ever-bloomers this ranks very near the front, for it is double, without a tinge of disagreeable shade, and always in bloom. We have a very large stock of nice plants. **Price, 10 cents each; 75 cents per dozen; $5.00 per hundred.**

Fine, also, for pots. It is of the semi-double type (the most striking of all), only the double form takes place near the base of the petals, allowing them free development, and at the same time showing the semi-double type. It embodies all the advantages of both types—the perfect development and free-blooming qualities of the singles, the fullness and beauty of the doubles, without their fault of having the florets damp and drop off and become unsightly when planted outside. Price, 6 cents each; 50 cents per dozen; $4.00 per 100.

WHITE SWAN.

In the White Swan we have the finest double white Geranium ever introduced, and, unlike other double white Geraniums, it is suitable for bedding, and flowers as profusely as the best single varieties. Uncle John.

An excellent white variety from Silver Spray and Heinze's White, in the third generation. It has the grassy appearance of Heinze'a White, but larger blades. Growth very strong and luxuriant; flower stems long, wiry and strong; calyx never bursting. Flowers large, finely formed—fringed and purest white; far freer in bloom than either of its parents. Price, 2½ inch pots, 6 cents each; 50 cents per dozen; $4.00 per 100.

E. A. Wood.

A light pink, striped with a darker shade. This variety is now blooming for the third season, and will prove a valuable sort for locations where striped sorts are wanted. The flowers are of large size, good form, and grown on very strong, stiff stems. Calyx never bursting. Keeping qualities excellent. Growth strong and healthy, blooming from early to late. If of a solid color this variety would prove the best pink in carnations, although in a bunch the vegetation is little noticed. Price, 2½ inch pots, 6 cents each; 50 cents per dozen; $4.00 per 100.

Goldfinch.

Yellow edged pink. This variety resembles Wm. Scott in growth, and is fully as free blooming. The color is a little llghter shade than Buttercup, and is of medium size. Calyx never bursting. Stems very strong, and do not need tying. The good qualities in growth and free blooming places it above Buttercup, and undoubtedly can be grown where Buttercup is a failure. Price, 2½ inch pots, 6 cents each; 60 cents per dozen; $5.00 per 100.

W. A. Scott.

This is in style of growth between the tall-growing Richmond and the more dwarf Spartan. Growth vigorous, very free blooming from early to late; foliage not quite as heavy as that of Richmond. Flowers large and non-bursting, of a deep Grace Wilder pink, a little irregular, but not to any disadvantage; it helps to overcome the samenesf and stiffness which is so often objectionable in a bunch. Stems long, of good strength, but seldom branching. A good keeper. Price, 2½ inch pots, 6 cents each; 75 cents per dozen; $5.00 per 100.

Mrs. Elizabeth Reynolds.

A very strong, vigorous grower, very free blooming from early to late; foliage very heavy; flower stem strong and bracing; flowers large, with broad petals, of a bright clear pink color, with a delightful sweet odor mixed slightly with clove. The flowers open readily, and when expanded keep on growing from four to five days until the pistil is fully developed, and is never-bursting. Price, 2½ inch pots, 6 cents each; 50 cents per dozen; $4.00 per 100.

"Daybreak."

Too much cannot be said in praise of this grand Carnation. The color is exquisite, a charming shade of flesh pink. It was this delicate shade which suggested its name "Daybreak," because of the similarity to the first faint tinge of pink seen in the eastern sky at sunrise. "Daybreak" became so popular among flower lovers that the blooms readily sold for more than any other variety in the market the past season. Price, 2½ inch pots, 6 cents each; 50 cents per dozen; $4.00 per 100.
